Help for Haiti Fair Raises Funds for Red Cross Haiti Relief Efforts

Hyannis, MA, April 3rd, 2010- A group of local businesses and residents pulled together a special Help for Haiti Fair at the Yarmouth Senior Center and raised over \$500 to support the Red Cross Haiti Relief efforts. The public attended, bought raffle tickets and more during the four hour event, organized by Sue Pulsifer of Marstons Mills.

Sue says: *"I was truly moved by the terrible fate of the people in Haiti. I was fortunate that so many people on the Cape felt the same way and wanted to do something and I know that the Red Cross will make sure that the funds go where they have to go. "*

A list of people and companies displaying their wares at the Fair follows.
