**American Red Cross to Honor Anthony Higgins of Yarmouth Port at its
8th Annual Heroes Breakfast on March 4th**

Tickets and Sponsorships Now Available at www.cciredcross.org

Hyannis, Mass, February 3, 2010 - The American Red Cross, Cape Cod and Islands Chapter, is pleased to announce that Anthony Higgins of Yarmouth Port will be honored as an Adult Mentor/Role Model Hero at its 8th Annual Heroes Breakfast on Thursday, March 4, 2010 at the Resort and Conference Center at Hyannis, MA from 7:00-9:00 A.M. Tickets and Sponsorships are available via www.cciredcross.org or by calling (508) 775-1540.

Volunteers have operated the Hyannis St. Vincent De Paul Society food pantry for over 50 years. Tony Higgins began as a volunteer there five years ago. He has been instrumental in expanding the capacity and ability to service more people, more efficiently. He is tireless in his commitment to the team and cause.

He took on the responsibilities of treasurer, technology technician, outreach agent for food donations, truck driver, shelf stocker, client financial assistance coordinator and grant writer. Tony acts as he believes; he cares for the well being and improvement of those in need. His willingness to donate so much of his time and energy has led to measurable improvement in the overall operation of the food pantry.

Tony exemplifies the ultimate role model for all of those who work behind the scenes to make good things happen and also for all of the rest of us who need to be inspired to volunteer and to contribute toward making a difference.

The Red Cross touches lives in our community every day through programs and services such as disaster relief and health and safety training. As an organization committed to helping the community, the Red Cross is honored to salute individuals who are making a difference through their actions at its 8th Annual Red Cross Heroes Breakfast.

Tickets are available online at cciredcross.org or can be obtained by calling toll-free (508) 775-1540, ext. 21. Different levels of sponsorship are also available.
