Heroes Breakfast on March 4th***

Hyannis, Mass, February 16, 2010 - The American Red Cross, Cape Cod and Islands Chapter, is pleased to announce that Stan Kaczynski of Yarmouth will be honored as an Environmental Hero at its 8th Annual Heroes Breakfast on Thursday, March 4, 2010 at the Resort and Conference Center at Hyannis, MA from 7:00-9:00 A.M. Tickets are available by calling (508) 775-1540 or at www.cciredcross.org

Stan Kaczynski picks up trash. Not a bag or two when he feels like it, but eight or ten bags a day of trash that has accumulated along the sides of town roads in Yarmouth. He does this day after day. He also organizes the town-wide clean-up campaign every year on Earth Day. Just recently he cleaned up all the trash along Forest Road in Yarmouth where he picked up 30 bags of debris and he is currently working on cleaning up the whole length of West Yarmouth Road which is a daunting task. He recently organized a clean-up of the Cape Cod Canal where he was helped by Roger Hagen of the US Army Corps of Engineers. Just before Christmas, each year, he cleans up all the trash along Route 6A in Yarmouth. He considers Route 6A a treasure.

He moved to Cape Cod after he retired and was afraid he'd have nothing to do, so he started by cleaning the Yarmouth beaches and then focused his efforts on cleaning up trash. He decided to pick up the trash on the side of the road rather than complain about it. His efforts do not go unnoticed as Town officials appreciate the help and the town's image is positive to its many visitors.

The Red Cross touches lives in our community every day through programs and services such as disaster relief and health and safety training. As an organization committed to helping the community, the Red Cross is honored to salute individuals who are making a difference through their actions at its 8th Annual Red Cross Heroes Breakfast.
