Hyannis, Mass, January 31, 2010 - The American Red Cross, Cape Cod and Islands Chapter, is pleased to announce that Judy Walden Scarafile of Barnstable will be honored as an American Red Cross Leadership Achievement Hero at its 8th Annual Heroes Breakfast on Thursday, March 4, 2010 at the Resort and Conference Center at Hyannis, MA from 7:00-9:00 A.M. Tickets and Sponsorships are available via www.cciredcross.org or by calling (508) 775-1540.

Judy Scarafile is the President of the Cape Cod Baseball League and has been associated with the league for over 30 years. She is responsible for funding the League's initiatives and has seen much success raising the money necessary to help the League become the most prestigious college level referral source for future major leaguers.

In addition to this year-round volunteer job, she is a licensed pharmacist and travels occasionally for her work. Her volunteer life in our community is huge. Judy is deeply involved with St. Mary's Episcopal Church in Barnstable, helping with the Men's Overnights of Hospitality, rummage sale, Holly Fair and even helps count the collection money. She put together a Salvation Army Bell Ringers team, involved her friends and associates in helping to create a "Turkey Drive" for families. She is also a Red Cross volunteer serving on their Medical Service Corps, has put together two trips to build houses with Habitat for Humanity, and put together teams to help build local Habitat homes here on the Cape. Finally, she visits her 95 year old mother at the Pavilion almost every day and organizes events for all the residents to enjoy from Halloween parades to birthday parties.

Judy is tireless in her efforts to help those around her. One of her friends said, "*Judy always gets others involved in the organizations she loves. She makes it sound fun and glamorous and then you're hooked!*" She is constantly working to make life better for others in the community and has touched thousands of lives with her work, which is why the Red Cross is pleased to honor Judy Scarafile as Red Cross Leadership Achievement Hero on March 4th.

The Red Cross touches lives in our community every day through programs and services such as disaster relief and health and safety training. As an organization committed to helping the community, the Red Cross is honored to salute individuals who are making a difference through their actions at its 8th Annual Red Cross Heroes Breakfast.
