Hamilton “Tony” Shepley, founder of Shepley Wood Products, started his company in 1978, with the desire to *“be a respected leader ... by investing in ... customers, employees and our community.”* In 33 years, his company has grown to locations in Hyannis, Wellfleet, Nantucket and Martha’s Vineyard, but the simple principle of offering good customer care has remained unchanged. In fact, the good care Shepley Wood Products gives its customers has been applied to their commitment to the communities of Cape Cod and the Islands.

The Cape and Islands United Way, Seaside Lemans, Dream Day on Cape Cod, March of Dimes, Last Gasp, Sturgis Library, Rehabilitation Hospital of Cape Cod and Islands and the American Red Cross are among the more than 50 organizations supported by Shepley Wood Products.

“Paying our civic rent is how we maintain our society and our quality of life,” Shepley says. And his words are matched by his actions. Shepley and with his employees have contributed funding, time, talents, supplies and advice to many projects and organizations.

The American Red Cross Leadership Achievement Award is presented to those leaders among us who recognize not only what has to be done, but take the actions necessary to make it happen, delivering the care and support needed, where it is needed.
