American Red Cross Offers CPR/AED for Professional Rescuer class August 27th in Hyannis

Hyannis, Mass, August 13th, 2010 -The American Red Cross, Cape Cod and Islands Chapter, will offer a CPR/AED class for Professional Rescuers on August 27th, 2010. The class will be held at the Chapter House at 286 South Street, Hyannis from 8:30 a.m. until 4:30 p.m. Cost is \$85.

The students learn the Skills They Need to Act Quickly and Save a Life Red Cross training combines discussions and video with hands-on skills training to promote effective learning and keep students motivated. The course is based on real-life rescue scenarios and lessons that reinforce decision-making skills.

CPR/AED for the Professional Rescuer training includes:

- Responding to breathing and cardiac emergencies in adults, children and infants
- Using an AED on adult and child victims of cardiac arrest
- Using personal protective equipment to stop blood borne pathogens and other diseases from spreading

This is a Two-Year Certification for Healthcare Providers. It is geared to maintain professional-level CPR/AED skills. The two-year certification is available for doctors, nurses, nursing assistants, medical and nursing students, EMTs, dental professionals, respiratory therapists, physical therapists, athletic trainers and other allied health personnel.

Enroll online at www.cciredcross.org. Payment required for registration. Cancel at least 24 hours prior to class or a \$10 fee will be charged.

For more information about training, volunteering or supporting the Cape Cod and Islands Chapter, American Red Cross, see the web site: cciredcross.org, call toll-free (508) 775-1540 or write to: 286 South Street, Hyannis, MA 02601.
