### ***Red Cross Offers Early Bird Discount for CPR/AED and First Aid Classes***

#### **Training available online or in classroom**

Hyannis, MA, June 19th, 2010 -- The American Red Cross, Cape Cod and Islands Chapter offers an Early Bird Discount for all CPR, AED and First Aid classes, as long as they're signed up before June 30th. Online registration is possible via [www.cciredcross.org](http://www.cciredcross.org) or by calling (508) 775-1540.

In addition, for those who need most flexibility, many classes are now also available online. The big advantage of the online class is that students may take it at their own pace and time. Depending upon the class, it is possible to start and stop as you please within 14 days. After completing the online course, a date will be set for the completion of the skills session and testing. Students receive training manuals at their skills session.

One of the students told us: *"I thought that taking this class was a lot of fun. It was really easy to follow and understand. The videos were very well done and I could do it at my own pace, which fit really well with my schedule."*

Classes available include: Adult, Infant and Child CPR/AED, First Aid, First Aid/CPR/AED for Schools and Community, CPR/AED for the Professional Rescuer and several other classes aimed at CPR/First Aid/AED Instruction. After the completion of the online portion of the class, a short skill session and testing for certification will take place at the chapter house in Hyannis.

The skills training classes following the online training will be held at the Chapter House on 286 South Street in Hyannis unless otherwise indicated. For schools, businesses, professional rescuers, clubs and organizations, alternate pricing, dates and locations are available by contacting the Chapter at (508) 775-1540, ext. 12.
