American Red Cross Volunteers to Provide Public Information in the Community Tent at the Barnstable County Fair, July 17th through the 25th

Hyannis, Mass, July 14, 2009- Over 30 volunteers of the American Red Cross, Cape Cod and Islands Chapter will be present in the Community Tent at the Barnstable County Fair between July 17, 2009 and July 25th. The community tent is open from 11am - 9pm daily.

The Red Cross volunteers will have on hand information about how to Be Red Cross Ready, both in English and Portuguese as well as provide information about hurricane readiness, flu prevention, schedules for First Aid, CPR, AED, Pet First Aid, Babysitter training and more... In addition, the public can hear first-hand from them the meaning of volunteering their time for the Red Cross. The chapter is always looking for more volunteers especially with hurricane season in full swing.

Come support Barnstable County and the American Red Cross Cape Cod and Islands Chapter by attending the fair and stopping by the community tent! This is the Chapter's 34th year attending the Fair.
